The Centre values, aim to support the needs of the local community, providing opportunities to be involved, through learning or volunteering, to build new or utilise existing skills.

The Centre advocates and listens to ensure that the communities voice is heard and that their main interests are kept high on our agenda. Joining our Committee is a great way to be a part of the decision making process, for your local Community Centre.

We acknowledge the traditional owners of the land we are on and pay respect to the elders past, present and emerging.
